**STS Short-Term Mission Programme 2020**

Dear brothers and sisters in Christ,

For nearly 20 years, STS has run an annual, 3-month Short-Term Mission programme in Chinese and in BM for young people who have studied up to SPM/STPM level or beyond. In recent years, several young people who have joined the programme would have gained even more from a course taught in English. In response to this need, and with the support and encouragement of church leaders from a number of different denominations, we are delighted to announce that an English language Short-Term Mission programme (the **STM ED**) will run alongside the courses in BM and Chinese, from **6 January - 28 March 2020**.

The Short Term Mission programme was primarily designed for student leavers who had taken their SPM, STPM or A Level examinations, however, university or college graduates are also most welcome to join us. This programme is helpful for those discerning God's call in life and ministry (full or part-time) and those who want to deepen their understanding of the Bible and improve their ministry skills (for example, youth leaders).

If you, as their pastor, church leader, friend or family member, know a committed and active Christian young person who would benefit from this opportunity, please encourage them to find out more about the programme and fill in the enclosed application form. We are looking for 10-12 participants, young men and women, from a diversity of denominational and cultural backgrounds, with good proficiency in English (speaking, listening, reading and writing), to join us.

Applications are welcome from now until **15 December 2019**. You'll find more information in the brochure, online at [www.stssabah.org](http://www.stssabah.org) or by contacting (call or WhatsApp).....

**Rev Ngui Au Sze** (STS Dean of Students and STM (ED) Co-ordinator) on **010 928 0686** or **Ellie Perry** (STS English Language Co-ordinator and STM (ED) secretary) on **014 669 1921**

We look forward to working with you to equip your young people to be 'active in sharing their faith so they will have a full understanding of every good thing we have in Christ' (Philemon v 6)

Yours, in partnership in the Lord's service,

-----  
(Datuk Dr Rev Thu En Yu, JP)
